

ADVENTURE 3

Reach your goals faster with the Adventure 3 folding treadmill. The racetrack display keeps you focused and motivated, while ViewFit connectivity simplifies workout tracking. Plus, you'll run or walk comfortably with our exclusive three-zone cushioning system that gives you the most flex where you land and the most support where you push off.

FEATURES

- MP3-compatible speakers so you can work out to your own music
- ViewFit connectivity for simplified workout tracking
- Simple, intuitive displays to help you track your effort while you work out
- Folding frame and front transport wheels for simplified storage

With ViewFit, you'll never have to manually enter your workouts again because your machine will do it for you. Go to ViewFitness.com or download the app to connect your equipment, track your efforts and share your progress.
