

# ADVENTURE 7

Built for performance, the Adventure 7 has an extra-long deck and a quiet yet responsive motor. ViewFit connectivity simplifies workout tracking and gives you more control over your training progress. Plus, the power button on the console and toggle controls integrated into the grips put everything you need right at your fingertips.

## FEATURES

- MP3-compatible speakers so you can work out to your own music
- ViewFit connectivity for simplified workout tracking
- Simple, intuitive displays to help you track your effort while you work out
- Folding frame and front transport wheels for simplified storage

With ViewFit, you'll never have to manually enter your workouts again because your machine will do it for you. Go to ViewFitness.com or download the app to connect your equipment, track your efforts and share your progress.
