JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Our Dual Form Frame significantly improves rider stability over single-post designs and offers a low step-through height for easy access.

Our Comfort Arc Seat is ergonomically molded to provide unmatched comfort, support and balance during workouts.

Exact Force Induction Brake offers instant, smooth, precise resistance changes at the push of a button, and with no moving parts, it's quieter and more durable as well.

XIR

THE ULTIMATE IN ENTERTAINMENT

JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Our integrated ViewFit connectivity system sends workout data to the fitness apps and tools you already use. It also makes it easy to share data in your favorite social networks.

This scientifically validated high-intensity interval training program burns fat and builds muscle in short workouts that anyone can fit into their schedule.

Passport compatibility makes it easy to experience the global HD destination footage of our immersive Virtual Active program on your big screen.
